Who are we? What do we do for you? Why it matters?

For over 30 years, The High Point Civic Association has been serving the residents living in the High Point area of Sandy Springs, GA. It was established to preserve and enhance the integrity of our neighborhood through promoting sound land use and strong community bonds.

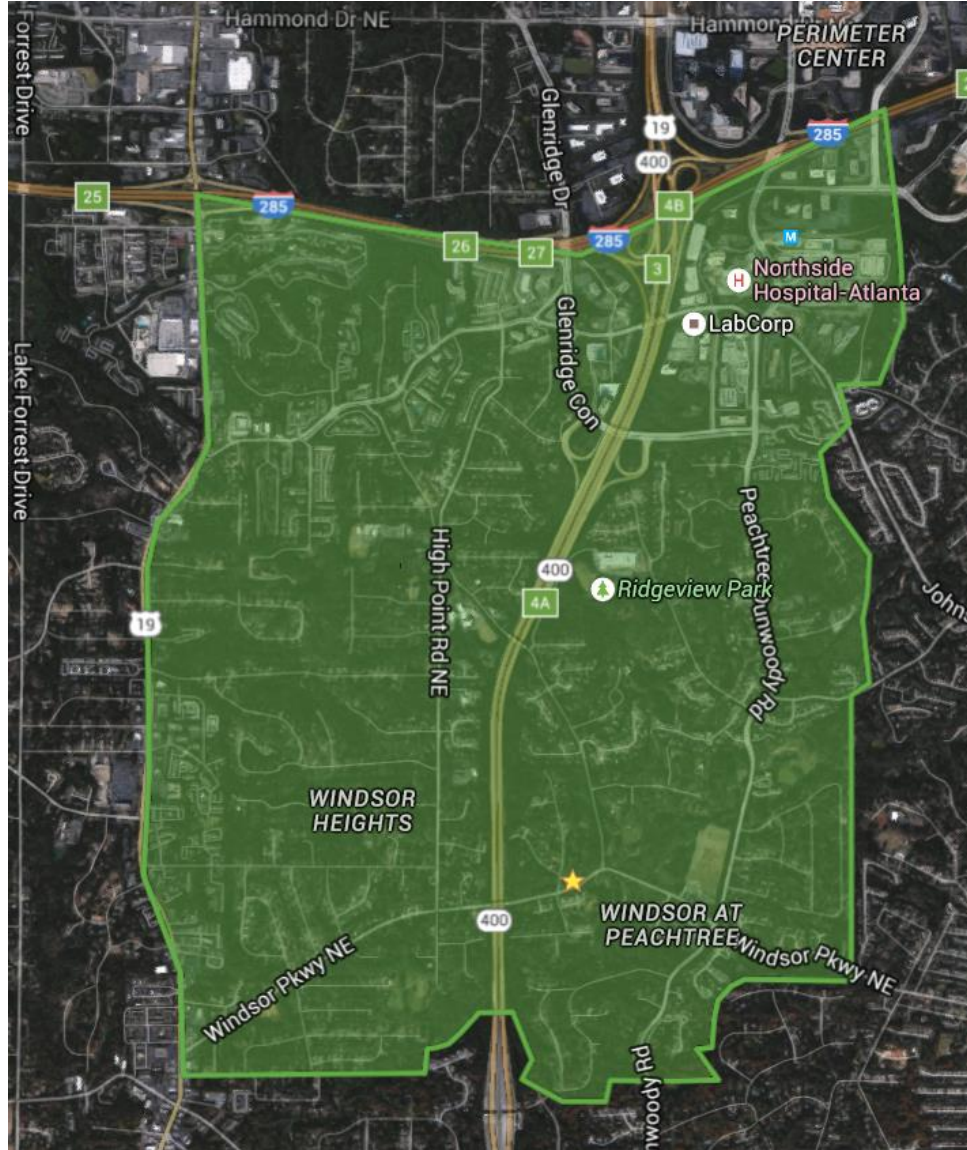

The Civic Association, covering approximately 4 square miles in Southeastern Sandy Springs, generally encompasses in its purview all households in Sandy Springs south of I-285 and east of Roswell Road to the border with Brookhaven.

We are your voice at City Hall, and we need your input and support!
